REGULATIONS OF THE PROVINCIAL BOARD OF HEALTH RESPECTING BARBER SHOPS AND HAIRDRESSING PARLOURS.

APPROVED BY HIS HONOUR THE LIEUTENANT-GOVERNOR, MAY 5TH, 1925.

WHEREAS it is provided by the "Public Health Act" that the Provincial Board of Health may issue regulations for preventing or mitigating infectious or contagious diseases:

And whereas, as syphilis and certain parasitic skin-diseases may be propagated by the instruments and hands of barbers and hairdressers, the said Board deem it wise to issue certain regulations respecting all and singular the premises:

It is therefore provided as follows:—

1. No barber shop shall be used as a living, dining, or sleeping apartment. No shop shall be operated in any store or restaurant, except that the sale of tobacco, newspapers, and candy in original packages and shoe-shining are permissible in conjunction with such shop. A shop may be located in a pool or billiard room provided that such shop is partitioned off by means of a solid wood, metal, or part glass partition from floor to ceiling.

2. Floors, walls, furniture, and fixtures of barber shops shall at all times be kept clean and all jardinières and cuspidors shall be thoroughly cleaned at least once a day.

3. Every shop shall be supplied with clean, hot and cold water in such quantities as may be necessary to conduct said shop in a sanitary manner. Hot-water receptacles hereafter installed shall hold not less than five gallons and where municipal water and sewers are available connection must be made.

4. If municipal water-supply or sewage-disposal is not available, any privy or cesspool maintained for the use of the proprietor or employers must be of a type which is satisfactory from a sanitary standpoint.

5. Customers, where possible, should have their own razors, soap, and brushes.

6. A separate and clean towel shall be used for each customer. Towels once used must be laundered before being used again.

7. All razors, scissors, combs, or other instruments in general use shall be sterilized by immersion in boiling water before each use.

8. Hairbrushes in general use shall, at frequent intervals, be immersed in a strong solution of lysol or carbolic solution, and afterwards rinsed in clear water and dried with a towel or by heat.

9. Shaving-brushes in common use shall be subjected to the same treatment of immersion and afterwards rinsed in very hot water.

10. Powder shall only be applied by a blower or on absorbent cotton or towel; such cotton or towel shall be used for one customer only.

11. Before passing from one customer to another, the barber or hairdresser shall wash the hands, using soap, preferably carbolic, and a nail-brush.

12. The use of the alum stick, frequently used to stop the flow of blood, shall be discontinued, and replaced by calcined alum, a powder which can be applied on cotton wool, which shall be thrown away immediately afterwards.

13. The use in common of the same vaseline pot is abolished. Vaseline shall only be used from a squeeze tube.

14. Sponges shall not be used.

15. Razor-strops shall only be used for razors which have previously been disinfected.

16. The hair-cutting wrapper, so commonly used in barber shops, shall be placed only around the shoulders of customers and fastened with a safety-pin or other device at the back, and clean towels shall be used about the neck to prevent hair falling down.

17. All barbers and hairdressers shall wear a coat of a washable white material.

18. Spitting on the floor shall not be allowed.

19. All bath-tubs, after use, shall be thoroughly scrubbed with hot water and soap-powder in such a manner as to leave the tub free from scum or other evidence of dirt, and then thoroughly wiped out with a clean towel.

20. No person suffering from any skin or infectious disease shall be employed in any capacity in or about any barber shop or bath-house. No barber shall serve a person afflicted with any contagious or infectious disease.

21. The entire interior of every barber shop, bath-house, or hairdressing establishment must be maintained in a scrupulously clean and sanitary manner at all times.

22. Any barber shop or bath-house operated under conditions prejudicial to the public health or safety may be closed by a Provincial or other authorized inspector.

23. A printed copy of the foregoing shall be conspicuously displayed in every barber shop and hairdressing establishment in the Province.

24. Failure on the part of the owner or management of any of the aforementioned establishments to comply with the foregoing regulations shall be deemed sufficient cause for declaring the premises a public nuisance under the provisions of the "Health Act," R.S.B.C. 1924, chap. 102.

DOMINION ORDERS IN COUNCIL.

P.C. No. 586.

CERTIFIED COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 18TH APRIL, 1925.

THE Committee of the Privy Council have had before them a report, dated 15th April, 1925, from the Minister of the Interior, stating that, notwithstanding the fact that the regulations governing the granting of licences and permits to cut timber on Dominion lands in the Prairie Provinces, and in the Railway Belt in the Province of British Columbia, provide that all timber cut must be manufactured within the Dominion of Canada, the Campbell River Mills, Limited, which were operating Timber Berth No. 55 located on the International Boundary in the Railway Belt, were granted, by Order in Council of the 8th April, 1924 (P.C. 554), an interim permit for six months, authorizing them to sell in the United States the cedar cut on the southern portion of the berth, subject to dues at \$2 per thousand feet B.M. on logs grading No. 1, and \$1.50 per thousand feet B.M. on logs grading No. 2, and \$1 per thousand feet B.M. logs grading No. 3. It was represented that, owing to the physical features of the district, in order that the timber might be manufactured within the Dominion of Canada it would be necessary to transport it through the State of Washington to Bellingham, on the Coast, where it would be dumped into the water and towed to either New Westminster or Vancouver, where shingle-mills are located, a distance of thirty-five and forty miles, respectively. It was further represented that the Company had lost a considerable portion of their cedar logs in conveying them to New Westminster and Vancouver, rendering their operations unprofitable.

The Minister observes that the interim permit permitting the exportation of cedar having expired, the Company now represent that they still have no Canadian outlet for this cedar timber except by conveying it to Vancouver or New Westminster, which is very difficult; and that last October twenty-eight sections of logs were sold for delivery at Vancouver, which contract they were not able to fill until February of this year and then with a loss of a portion of the boom, making the entire transaction a losing one. In view of these difficulties, the Company ask to be granted permission to export to the United States cedar cut on the southern portion of this berth for another period of six months.

The Minister recommends that the permission asked for be granted, on condition that the rates of dues above referred to be paid on any timber exported, which rates on Grades Nos. 1 and 2 are in excess of those charged under the regulations.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

The Minister of the Interior. 9283-my7

P.C. No. 477.

CERTIFIED COPY OF A MINUTE OF THE MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 30TH MARCH, 1925.

THE Committee of the Privy Council have had before them a report, dated 25th March, 1925, from the Minister of the Interior, stating that an application has been made to the Department of the Interior, on behalf of the Township and City of Chilliwack, in the Province of British Columbia, for the right to occupy the foreshore of Cultus Lake fronting on Legal Subdivisions 11, 13, and 14 of Section 25 and Legal Subdivision 4 of Section 36 in Township 22, east of Coast meridian, which parcel may be more particularly described as follows:—

"All and singular that certain portion of the foreshore of Cultus Lake, situate in Legal Subdivisions Eleven, Thirteen, and Fourteen of Section Twenty-five and Legal Subdivision Four of Section Thirty-six in the Twenty-second Township east of the Coast meridian in the Province of British Columbia, lying between the bank of the said lake as shown on a plan of the North-east Quarter of the said township, signed by E. Deville, Sudveyor-General of Dominion Lands, at Ottawa, on the ninth day of April, one thousand nine hundred and fourteen, and a line on the lakeward side of the said bank which conforms to the sinuosities of the aforesaid bank and is one hundred feet distant therefrom, containing an area of ten acres, more or less."

It is represented that the foreshore is required in order to control the construction of boat-houses, wharves, and other construction along the waterfront of Cultus Lake Park.

The application has been favourably considered by the Department of Marine and Fisheries and of Public Works, and an agent of the Department of the Interior has also reported favourably.

The Minister therefore recommends that he be authorized to issue a lease to the Township and City of Chilliwack for the foreshore, as above described, for a term of twenty-one years renewable at an annual rental of one dollar (\$1), and to be on such other terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
